

Using Student Portal and Timetable

1. Open your Web Browser and navigate to www.russoonline.com.au. If you are in the student labs, this will be the first page you will see.
 2. Enter your username in the first box in the login panel on the right hand side.
 3. Enter your password in the second box in the login panel.
 4. Click on 
- To access your timetable, click on [> Class Timetable](#) after you have logged in.

When you manage to login successfully, the Login panel will be replaced with a welcome message.

Your username can be found on the Computer Procedures form presented to you during orientation. If you have forgotten either your username or your password, please see your administration coordinator on level 4.
